POSTKARTE

Lismore Castle stands upon an eminence springing almost sheer from the River Blackwater. It was founded by King John in 1185, and until the sixteenth century was the residence of the Bishops of the neighbouring monastery of St. Garthagh, an ancient foundation dating from 633, which at one time possessed considerable reputation as a seat of learning. Views of exceptional beauty can be obtained from the windows of the Castle.

(FOR ADDRESS ONLY.)
